EXPERIENCE

Founder & Director   Jun. 2020 – Present
Iridium Tutoring Ltd. | Southborough, MA

Founded a 501(c)(3) nonprofit free tutoring organization with **400+ students**, **9000+ tutoring sessions**, and **150+ volunteers**. I oversee core strategies, project development, partnerships, and donor/student relations.
- Fundraised over **$10,000 in donations and philanthropic grants**
- Featured on regional news outlets: FOX Boston, CBS Boston, ABC Boston, etc.

Research Assistant   Mar. 2021 – Sep. 2021
Worcester Polytechnic Institute | Worcester, MA

Assisted Prof. Schaumont and Archanaa Krishnan Ph.D. on COVID-19 contact tracing research. Developed Python scripts to analyze pedestrian scenarios. Presented conclusions at WPI Summer Research Showcase.

Subject Tutor and Bootcamp Instructor   Jun. 2021 – Present
EduAvenues LLC | Virtual

Instructed 10+ students for 100+ hours in Algebra, AP Calculus BC, APCSA, and Python. Led a summer bootcamp and received positive feedback from students.

VOLUNTEERING

Verity Opportunities Ltd. | Northborough, MA   Oct. 2020 – Present

Organized 10+ successful food drives, math competitions, and trail cleanups to support local nonprofits and efforts.

New England Youth Chinese Summer Camp | Weston, MA   Aug. 2022
Worked with a counselor and co-CIT at a one-week overnight camp to lead campers in cultural activities and watch over their safety.

Youth in Philanthropy | Sudbury, MA   Sept. 2021 – Jan. 2022
Fundraised over **$1,200 in donations** and **granted $10,000** to two local nonprofits through a selective process.

PROJECTS

A Blind Spot Alert Apparatus for Cyclists | Mass Academy   Aug. 2022 – Present

Conducted original independent research on bicyclist detection devices using Tensorflow, Edge TPUs, and real-time testing.

RFID Sign-in/Sign-out System | Mass Academy   Oct. 2022 – Present
Developed an NFC sign-in/sign-out system using MySQL databases, Raspberry Pi, and React + Node JS web portal.
